PREFACE

IN presenting the **Forty-Eighth Annual Edition** of the **City of Hamilton Directory,** we thank the business men and patrons in general for the liberal and enthusiastic support which they have given us. The number of names in the Alphabetical Directory is 54,064, which, multiplied by 2½, the usual figure used by Directory Publishers, gives a population of 135,180 for Hamilton and the adjacent outskirts. This estimate includes the residents of West Hamilton and section on the Mountain Top, which are not in the City Limits.

POWER STRENGTH DURABILITY

HERCULES
TRUCKS
"THE NAME DESCRIBES THEM"

What HERCULES transportation means to you:

—CERTAINTY, —because permanent dependability is built into every Hercules Truck by expert engineers who have made Hercules Trucks a life-study.

—ECONOMY, —because Hercules Trucks cost little to buy and less to maintain. They keep in service because the service is built into them to stay.

—MORE BUSINESS, —because your radius of operations is doubled; because you can serve more customers, do it better, and do it at less expense.

—BEST VALUE, —because the quality is the highest and because Hercules prices are $300 to $400 less than the average.

—SATISFACTION, —because the Hercules Truck is a wise, profitable investment, and because we are here to see that you get every possible advantage from it.

Hercules Trucks are built solely from a quality standpoint. They contain the best that money can buy. Their designers are experienced men. They are built on practical lines. They are made for the pounding work of continuous service. They are planned to give an owner a profitable long-time investment. They perform; and they endure.

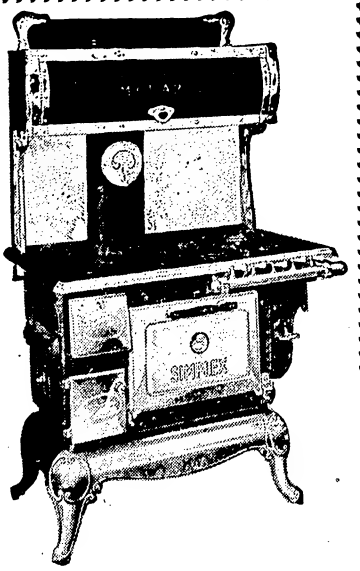

Examine the big, powerful motors—the best in America—and you will understand their ability. Put a rule on the heavy pressed-steel, bridge-like frame! Note the semi-flexible construction the three-point suspension and the powerful springs. Look at the little details like rivets and minor connections—see how thoroughly the makers have attended to the smallest things. Remember that Trucks must move **tonnage**, and work clock-like, rain or shine. Remember that Hercules will!

CHIROPRACTIC

THE WORLD'S GREATEST SCIENCE

The Only Method Ever Discovered for Eradication of DISEASE By Going DIRECTLY to the CAUSE

A NEW ROAD TO HEALTH

A subluxated vertebra causes PRESSURE upon the NERVE interrupting NORMAL NERVE SUPPLY. This will weaken the TISSUE OR ORGAN supplied, and the RESULT IS DISEASE. A CHIROPRACTOR ADJUSTS the offending BONE to NORMAL Position, Relieving NERVE PRESSURE, thus removing the cause so NATURE can RESTORE HEALTH.

The success I have had in the past ten years is a guarant[illegible] of the excellence of the results you will receive in the future.

THE CAUSE OF DISEASE

95% of all diseases originate at the points indicated by the arrow heads. The diseases mentioned below are only a few which are caused by subluxations of vertebrae in the spinal column.

1. Slight subluxations at this point will cause so-called headaches, eye disease, deafness, epilepsy, vertigo, insomnia, wry neck, facial paralysis, locomotor ataxia, etc.

2. A slight subluxation of a vertebra in this part of the spine is the cause of so-called throat trouble, neuralgia, pain in the shoulders and arms, goitre, nervous prostration, la grippe, dizziness, bleeding from nose, disorder of gums, catarrh, etc.

3. The arrow head marked No. 3 locates the part of the spine wherein subluxations will cause so-called bronchitis, felons, pain between the shoulder blades, rheumatism of the arms and shoulders, hay fever, writers' cramp, etc.

4. A vertebral subluxation at this point causes so-called nervousness, heart disease, asthma, pneumonia, tuberculosis, difficult breathing, other lung troubles, etc.

5. Stomach and liver troubles, enlargement of the spleen, pleurisy and a score of other troubles, so-called, are caused by subluxations in this part of the spine, sometimes so light as to remain unnoticed by others except the trained Chiropractor.

6. Here we find the cause of so-called gall stones, dyspepsia of upper bowels, fevers, shingles, hiccoughs, worms, etc.

7. Bright's disease, diabetes, floating kidney, skin disease, boils, eruptions and other diseases, so-called, are caused by nerves being pinched in the spinal openings at this point.

8. Regulations of such troubles as so-called appendicitis, peritonitis, lumbago, etc., follow Chiropractic adjustments at this point.

9. Why have so-called constipation, rectal troubles, sciatica, etc., when Chiropractic adjustments at this part of the spine will remove the cause?

10. A slight slippage of one or both innominate bones will likewise produce so-called sciatica, together with many "diseases" of pelvis and lower extremities.

Chiropractic Adjustments Remove Pressure from Nerves and Health Returns.

The success I have had in the past ten years is a guarantee of the excellence of the results you will receive in the future.

Motorists, Attention!

Are you aware that 75% of the repairs done to the automobile of to-day is the result of neglect of the car owner to thoroughly oil and grease his machine or to tighten the loose nuts and bolts?

We know from experience that few car owners like to crawl beneath a dirty car to grease those "out of the way" places or tighten those loose nuts and bolts when needed.

We are prepared to call for your car once every month. Give it a thorough oiling and greasing, tighten every loose nut or bolt, and make a report as to the condition of your car.

The charge for the above service is $1.75 per month or $18.00 per year. You will more than save the cost of this service by lengthening the life of your car and in decreased repair bills.

We also have a repair shop in connection and will give our patrons the best service possible when needed, and at the least cost. If we say that we have done a certain thing to your car you can bet your last dollar that we did.

Any adjustments to the carburator or ignition system will be done free of charge to our patrons. We are out to give them service and we want them to be satisfied.

REMEMBER THAT TIN

Insist on "Nugget" Shoe Polish.

A substitute will disappoint you.

A MARK OF QUALITY

"Nugget" is made in Black, Tan, Toney Red, Dark Brown and White. Also White Cleaner (liquid) for Buckskin and Canvas Shoes; will not rub off.

The Nugget Polish Co., Limited, Toronto

Over

IF THE TONGUES OF YOUR SHOES COULD SPEAK, THEY WOULD SAY

USE

"NUGGET" Shoe Polish

It softens and preserves the leather, gives a brilliant, lasting shine, and makes shoes waterproof.

BLACK, TAN, TONEY RED, AND DARK BROWN.
